

Entertainment Guidelines

Go Burrito has a very lax policy on choices for entertainment in the Bar and Restaurant. However there are some hard lines when choosing the best entertainment for the business.

1. Go Burrito may not be used as a pop up base for the P2P selling of adult entertainment products. I.e. Passion Parties and the like.
2. Music should reflect the population that Go Burrito wishes to attract. Heavy metal bands and those that use shock factor/degrading/obscene language in their music shall not be allowed to perform on a Go Burrito Stage.
3. Please no magic shows or clowns.
4. Never should crayons be a handout to children at Go Burrito. We're a hangout, not a Chuckie Cheese.
